Rome and the Public Schools Here are some facts for thinking Americans to consider.

Rome has for years been waging a relentless war on our public schools. She has calumniated and denounced as godless the most magnificent system of free education the world has ever known.

She has been rearing all over the land, parochial schools which are taking part in public affairs, it is fit monarchial papal theory is taught, and hatred of freedom of speech cratic theories of government are in-culcated.
